**Chair called Special Hearing Meeting to order at 7:34 PM at the Three Oaks Village Hall.**

**Public Comments on the Agenda: None**

- **ESTABLISH NEW WATER RATES by AMENDING WATER SYSTEM & RATE ORDINANCE #179.** Discussion was held about the Water System Improvement project and the benefits to the Village residents by updating and bringing the water system into compliance. The proposed amount of the increase will only be on the R-T-S (Ready to Serve Fees), and will not reflect an increase in the water usage rates. This increase is necessary to qualify for the USDA grant and will cover the bond payments (over 40 years) for the system upgrade.
- **PUBLIC COMMENT:** Jon Vollman requested comparisons of the proposed rate increase with surrounding communities, he expressed disappointment with the low turn-out of Village residents at the Public Hearing, and stated that he is pleased that a local company, Kalin Construction will be awarded the contract.
- **Meeting adjourned at 7: 52 pm**
